TRANSACTION DETAILS

INVESTOR / CERTIFICATE HOLDER	Transformer Capital
PORTFOLIO COMPANY	Cove Technologies Inc.
COMPANY BUSINESS LOCATION	1070 Bridgeview Way, San Francisco, CA 94124
SCHEDULE EFFECTIVE DATE	August 1, 2026

1. TECHNOLOGY ERRORS & OMISSIONS LIABILITY

Cove Technologies Inc. shall maintain Technology Errors & Omissions Liability insurance on a claims-made basis for acts, errors, omissions, and technology services arising from its underwriting, credit, and workflow software operations.

- Each claim limit: not less than \$2,000,000.
- Annual aggregate limit: not less than \$5,000,000.
- Self-insured retention or deductible: not more than \$100,000 for each claim.
- Retroactive date: March 15, 2026 or earlier.

Limit interpretation: the each-claim limit and annual aggregate are separate requirements. A single undifferentiated policy limit does not, by itself, establish both values.

Portfolio Company Insurance Schedule

2. NETWORK SECURITY & PRIVACY LIABILITY

Cove Technologies Inc. shall maintain Network Security & Privacy Liability (Cyber) insurance on a claims-made basis covering privacy liability, security failure, and incident response costs.

1. Each claim limit: not less than \$1,000,000.
2. Annual aggregate limit: not less than \$3,000,000.
3. Self-insured retention or deductible: not more than \$100,000 for each claim.

3. EXPRESS EXCLUSIONS FROM THE INSURANCE REQUIREMENT

Transformer Capital does not require additional insured status, a waiver of subrogation, or primary and non-contributory wording under this schedule. No Commercial General Liability, Directors & Officers Liability, Workers Compensation, or Automobile Liability requirement is imposed by this schedule.

4. ADMINISTRATIVE ITEMS — NOT COVERAGE REQUIREMENTS

For transaction administration only: provide a certificate of insurance within ten business days; request 30 days' advance notice of cancellation where commercially available; and use an insurer rated A- VII or better by AM Best. These items are not minimum policy coverage requirements and should not be converted into coverage rules.
